configuration, appearance, content and functionality of the Services. In addition, Constructure reserves the right, at any time, without prior notice, to the exercise of its sole discretion to suspend or terminate any Service for the protection of the security and integrity of the Services or other business, technical or financial considerations as determined by Constructure.

9.3. **Feedback License.** Constructure will have a royalty-free, worldwide, transferable, sublicensable, irrevocable, perpetual license to use or incorporate into the Services any suggestions, enhancement requests, recommendations or other feedback provided by You and Your Users to Constructure or any Constructure Party.

10. INTELLECTUAL PROPERTY PROTECTION.

Constructure will, at its own expense, defend or at its option settle, any claim brought against You by a third party on the issue of infringement of any copyright, patent, or trademark of that third party, in each case by the "Constructure Technology," as defined below in this Section 10; provided that You provide Constructure with (a) prompt written notice of such claim; (b) control over the defense and settlement of such claim; and (c) proper and full information and assistance to settle and/or defend any such claim. In the event of any claim for which Constructure may be obligated to defend or settle in accordance with this Section 10, Constructure may at its sole option and expense, either: (i) procure the right to use the Constructure Technology as provided herein, (ii) replace the Constructure Technology with other non-infringing products with equivalent functionality; (iii) suitably modify the Constructure Technology so that it does not infringe, or (iv) terminate this

Agreement. Constructure assumes no liability for infringement claims arising from: (1) any combination of the Constructure Technology with products or technology not provided by Constructure, if the infringement would not have occurred if the Constructure Technology had not been so combined; (2) any modification of the Constructure Technology, in whole or in part, by anyone other than Constructure, if the infringement would not have occurred but for such modification; (3) use by You of any Constructure Technology after Constructure notifies You that continued use may subject You to such claim of infringement, provided that Constructure provides You with a replacement release of the Constructure Technology; (4) any proprietary or intellectual property rights not expressly identified in this Section 10; or (5) any non-United States proprietary or intellectual property rights. "Constructure Technology" means the software of Constructure which is delivered to You in connection with Your use of the Services. This Section 10 sets forth the entire liability and obligations of Constructure, and Your exclusive remedy, with respect to any actual or alleged infringement of any intellectual property or proprietary right by the Services. The terms of this Section 10 are subject to the limitations of Section 8.

11. HARDWARE, EQUIPMENT, AND SOFTWARE.

Unless purchased from Constructure or one of its affiliates pursuant to a separate written agreement, You are responsible for and must provide all hardware, software, services and other components necessary to access and use the Services. Constructure makes no representations, warranties, or assurances that third party hardware, software, services and

other components will be compatible with any Service. Constructure reserves the right to change or upgrade any equipment or software that it uses to provide the Services without notice to You. Constructure will install security patches, updates, upgrades and service packs ("Updates") as it determines in its sole discretion, and reserves the right, but not the obligation, to roll back any Updates. Updates may change system behavior and functionality and as such may negatively affect the Services used by You. Constructure cannot foresee nor be responsible or liable for service disruption or changes in functionality or performance due to Updates. Constructure is not responsible or liable for issues that may arise from incompatibilities between Your Data and use of the Services and any Update or hardware or software change or configuration, regardless of whether discretionary or requested.

12. INDEMNIFICATION.

You agree to defend, indemnify, save, and hold Constructure and the Constructure Parties harmless from any and all demands, liabilities, losses, costs, and claims, including reasonable attorneys' fees, asserted against them that may arise or result from Your use of the Services, Your breach of this Agreement (or any Schedule), or Your negligence or willful misconduct.

13. MODIFICATION OF TERMS.

Constructure may update, amend, modify or supplement the terms and conditions of this Agreement, including any Schedules, the SLA, AUP and Privacy Policy, from time to time by giving You notice. Such changes will take effect immediately. Any such modification may be made without the consent of any third party beneficiaries of this Agreement. You can review

the most current version of this Agreement at any time at:

14.4. Severability. If any one or more of the provisions contained herein will, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any of the other provisions of this Agreement, and this Agreement will be construed as if such provision(s) had never been contained herein, provided that such provision(s) will be curtailed, limited, or eliminated only to the extent necessary to remove the invalidity, illegality, or unenforceability.

14.5. Waiver. No waiver by either party of any breach by the other party of any of the provisions of this Agreement will be deemed a waiver of any preceding or succeeding breach of this Agreement. No such waiver will be effective unless it is in writing signed by the parties hereto, and then only to the extent expressly set forth in such writing.

14.6. Remedies. The rights and remedies of the parties hereunder shall not be mutually exclusive, i.e., the exercise of one (1) or more of the provisions hereof shall not preclude the exercise of any other provision hereof. The parties acknowledge, confirm and agree that damages may be inadequate for a breach or a threatened breach of this Agreement and, in the event of a breach or threatened breach of any provision hereof, the respective rights and obligations hereunder shall be enforceable by specific performance, injunction or other equitable remedy. Nothing contained in this Agreement shall limit or affect any rights at law or statute or otherwise for a breach or threatened breach of any provision hereof, it being the intent of this provision to clarify that the respective rights and obligations of the parties shall be enforceable in equity as well as at law or otherwise.

14.7. No Assignment. No benefit or duty of You under this Agreement will, without the consent of Constructure, be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt to do so will be void. Constructure may assign this Agreement without Your consent and without notice.

14.8. Fair Interpretation, Headings. This Agreement has been negotiated by the parties and their respective counsel. This Agreement will be interpreted fairly in accordance with its

terms and without any strict construction in favor of or against either party based on draftsmanship of the Agreement or otherwise. The headings and captions used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

14.9. Force Majeure. Except for monetary obligations, neither party shall be liable to the other for failure or delay in the performance of a required obligation hereunder if such inability or delay is caused by reason of Force Majeure Event. "Force Majeure Event" is any cause beyond a party's reasonable control or anticipation, including, without limitation, acts of war, acts of god, terrorism, earthquake, hurricanes, flood, fire or other casualty, embargo, riot, sabotage, labor shortage or dispute, governmental act, insurrections, epidemics, quarantines, inability to procure materials or transportation facilities, failure of power, restrictive governmental laws or regulations, condemnation, acts of third parties, failure of the Internet or other reason that is beyond a party's reasonable control or anticipation.

14.10. Survival. The preamble, "Definitions" and Sections 2, 3, 4, 5, 6, 8, 9, 10, 12, 13 and 14 of this MSA will survive termination.

14.11. Independent Parties. Notwithstanding anything to the contrary herein, it is acknowledged, confirmed, and agreed that You shall be, and shall be deemed to be, an independent entity for all intents and purposes, including, without limitation, federal taxation. You shall pay all expenses in connection with performing Your obligations hereunder and shall not incur any indebtedness on behalf of Constructure in connection with

such expenses. Neither party shall have or hold itself out as having any right, authority nor agency to act on behalf of the other party in any capacity or in any manner, except as be specifically authorized in this Agreement.

You understand and agree that (a) Constructure and You may include, as the sole third party beneficiaries of this Agreement, the Constructure Parties, and (b) in the event of any breach of this Agreement, including any Schedule, such Constructure Parties shall have all rights and remedies available to them as if they were parties to this Agreement, including claiming the benefit of Section 8 of this MSA.

14.13. Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed an original, but which collectively will constitute one and the same instrument.
